FIGHTERS OVER THE FALKLANDS

A dramatic aerial photograph of three Royal Air Force Sea King fighter jets. The lead jet is centered and viewed from a head-on perspective, showing its distinctive canards and delta wings. Two other jets are positioned behind it, one to the left and one to the right, viewed from a side-on perspective. The aircraft are flying through a bright blue sky with scattered white clouds. The overall composition is dynamic and emphasizes the power of the fighter jets.
